OUR ELEVATOR CABS

The Legacy Residential Elevator provides many choices of interior panels, from simple unfinished natural wood veneers and melamine to custom recessed woods and glass wall interiors to choose from. Suiting your home décor has never been easier, with our standard choices of veneers, melamine, laminates and stains.

The cab platform includes our unmatched steel pan construction for great durability. Our elevator includes many custom features, ensuring that we meet the needs of differing individual lifestyles.

From traditional to ultra modern, chose the style that's right for you!
